Case No. 20-cv-03622 NC

**ORDER DENYING DEFENDANTS'
REQUEST TO STAY CERTAIN
CASE DEADLINES**

Re: ECF 65

17 The Court DENIES Defendants' request to stay or extend the February 16 deadlines
18 for Patent Local Rule 3-3 invalidity contentions and their answer to the Second Amended
19 Complaint. The Court finds that Defendants have not shown good cause to stay or extend
20 the deadlines based on either: (1) Plaintiff's motion for leave to amend its Patent Local Rule
21 3-1 infringement disclosure, or (2) an anticipated, but not yet filed, petition for inter partes
22 review.
